Notes:

- Though originally made for fiction, these could be edited for non-fiction!
- These bookmarks fully or partially align to several CCSS for Reading Literature.
- Remember to "anchor" and assess the bookmarks with one of my two provided activities! ☺

Quote Analysis

What is the most important, interesting, or memorable quote from this chapter? (Write and cite it here!)

Pretend you're explaining it to a child, and tell me what this quote means in plain English.

Now, persuade me why this quote is important or interesting. (Note: not just why you like it, but why it MATTERS.)
